Incident Command System (ICS) for Schools

What is the Incident Command System (ICS)?

The ICS is a standardized, on-scene, all-hazard incident management system. It is one of the incident management structures of NIMS.

What are the ICS position titles and roles (the ICS organization)?

INCIDENT COMMANDER (IC): Sets the incident objectives, strategies, and priorities; has overall responsibility for the incident response; and coordinates and manages all ICS functions. The IC first establishes the Operations Section and remaining sections are

established as needed to support the operation. The IC may delegate authority for performance of certain activities to the *Command Staff and/or General Staff*. The IC may be transferred *during* an incident: a school official may serve as the incident commander and lead a command team of school personnel but if there is a bomb threat, the IC would transfer command to law enforcement. The IC is specifically responsible for:

1. Ensuring safety
2. Providing information services to internal and external stakeholders, such as parents
3. Establishing and maintaining liaison with other agencies participating in the incident

COMMAND STAFF (Officers)

1. **Public Information Officer (PIO):** Serves as the conduit for information to internal and external stakeholders, including the media or parents.
2. **Safety Officer:** Monitors safety conditions and develops measure for assuring the safety of all response personnel.
3. **Liaison Officer:** Serves as the primary contact for supporting agencies assisting at an incident.

GENERAL STAFF (Chiefs):

1. **Operations:** Roles and responsibilities focus on well-being and accountability (e.g. Health Services-

First Aid, Search and Rescue) and may check outdoor areas for students and staff; maintain student and staff emergency contacts and medical/ medication information; oversee emergency kits and supplies; keep cellular phones or two-way radios to ensure constant communication; and assist students and staff with special needs.
